With such transport links of your door step, Islington Square is the ideal location to explore the city.

Sheltered from the traffic on Upper Street, Islington Square will be a fresh and lively locality. A variety of premier residential accommodation will incorporate communal gardens, optional secure underground car parking and access to memberships in various facilities such as London's fastest growing car club. There will be coffee shops, café bars, innovative restaurants and stylish shops showcasing the latest fashions and designs. Furthermore, there will also be a 47,000 sq ft Third Space Health Club with state of the art facilities including a
