Blackfriars Circus located in the historic area of Southwark, Blackfriars Circus is as remarkable as the location. Blackfriars is one of the latest areas in London's Zone 1 to undergo a regeneration. Situated on the Southbank - a short walk over the river from both the City and West End - Blackfriars Circus is well-positioned. The development is made up of 336 studios, one, two, and three-bedroom apartments and penthouses, and includes around 35,000 sq ft of office space and 16,500 sq ft of retail space.

All apartments are individually designed and feature high-specification kitchens with a full complement of integrated appliances, and contemporary bathrooms and en suites with underfloor heating. The development boasts landscaped outdoor spaces, a residents' fitness suite, and every
